LETTER FROM THE OFFICE OF THE
STATE SUPERINTENDENT OF EDUCATION

Greetings!

On behalf of the District of Columbia Office of the State Superintendent of Education (OSSE), it is my pleasure to welcome you to this LEA Institute.

Today's theme, "It Takes a City: Bridging LEAs to Resources for Enhanced Student Outcomes" is designed to emphasize the many opportunities available for LEAs to meaningfully collaborate with District agencies. As an agency that is deeply committed to raising up best practices and providing professional development and training to our educators, we want to ensure that all LEAs are optimizing opportunities to meet the needs of students across the city. With a focus on equity, we aim to help you remove barriers to student achievement.

Today, you will hear from expert panelists and have the opportunity to engage with District agency representatives throughout the day. Your participation in this institute is invaluable and will help ensure that we make the very most of this rare opportunity to connect you and your team to city resources that will help improve student success.

At OSSE, we recognize that you, as educators and leaders, are vital to our success. I am confident that you will find a new colleague, idea, or initiative today that will contribute to the incredible work you are doing on behalf of our students.

Thank you for your dedication and commitment.

Sincerely,
