What You Need to Register

International Registrants

A foreign company that performs work outside the United States is required to register in the Central Contractor Registration (CCR) system in order to be awarded a contract, except under extenuating circumstances, in accordance with Federal Acquisition Regulations 4.1101(a)(5) in the [FAR](#).

Step 1: Obtain a new or existing Data Universal Numbering System (DUNS) Number from Dun and Bradstreet (D&B) by using the online [web form](#) process.
If you require additional D&B assistance, please email ccrhelp@dnb.com.

Step 2: Get an NCAGE code before beginning your registration in CCR.
Foreign companies must first obtain a North Atlantic Treaty Organization (NATO) CAGE (NCAGE) code from the appropriate source. Use the [NCAGE online form](#) to obtain an NCAGE. In block 2 of the form, select "Other" if your country is not listed.
If the form cannot be submitted via internet, or you have any questions about this form or have problems with it, call +9269 9617766 (DSN 661-5757) or send a message to NCAGE@dla.mil.

Step 3: Register in CCR.
You may begin your CCR registration 24 hours after you have received your D&B DUNS number.
A U.S. Tax Identification Number (TIN) and Electronic Funds Transfer (EFT) information are NOT required if you are located in a foreign country.
