

Mathematics Workshop - Friday Session 2

First In Math: Energize Instruction and Empower Students With Educational Technology

**First In Math® provides a rich environment
that enables each student to start their own:
Closed-loop Learning System**

How do we initiate a Closed-Loop Learning System for each child?

- **Allow choice, an essential ingredient for taking ownership.**
Leads to CURIOSITY and PERSISTENCE/GRIT.
- **Choose programs that are open-ended and with rigor.**
Promotes CRITICAL THINKING, PROBLEM SOLVING, and CREATIVITY.
- **Embed common goals.**
Encourages COMMUNICATION, COLLABORATION, and LEADERSHIP skills.
