

# Division of Early Learning Provider/ Program Spotlight

## August 2015 Ms. P's Unique Daycare Center

Ms. P's Unique Daycare Center is an early childhood development home provider that is committed to offering affordable, safe, nourishing and convenient child care in a developmentally appropriate environment. This mother and daughter operated facility has been serving children and families in Ward 2 for over 14 years. The professionals working at Ms. P's child development home have a combined 80 years of experience in infant and toddler care and the skills and abilities to care for children with special needs.

Director Angelique Speight invests in the success of the children in her program by utilizing the Creative Curriculum to ensure they are ready for kindergarten. She also takes pride in her ability to comply with license regulations. In fact, Ms. Speight was the first provider to complete the Subsidy Application Renewal Application for 2016!
