**SCORE RECOGNITION SCHEDULE FOR DISTRICT OF COLUMBIA TEACHER LICENSURE/HIGHLY QUALIFIED EXAMS  
THAT HAVE BEEN DROPPED, DISCONTINUED OR REGENERATED**

The District of Columbia recognizes that there are individuals who have achieved passing scores on exams that have since been dropped, discontinued, or regenerated (ETS test updating process). In these instances, passing exam scores shall be acceptable for a period not to exceed three (3) calendar years after the date an exam has been dropped, discontinued or regenerated. Below is a chart of previously accepted exams for subject areas and a score recognition schedule. Individuals who possess test names/codes and scores that DO NOT match the exams listed on this chart, must have passing scores for currently required exams.

<b>PRAXIS II – SUBJECT AREA ASSESSMENTS</b>					
<b>Test Name</b>		<b>Test Code</b>	<b>Score</b>	<b>Date Dropped / Regenerated</b>	<b>Date Accepted Until</b>
Elementary Education (K-6)	Content Area Exercises	0012	148	9/1/2011	8/31/2014
French (K-12)	Content Knowledge	0173	155	10/15/2010	10/14/2013
Spanish (K-12)	Content Knowledge	0191	153	10/15/2010	10/14/2013

Per the LEA Highly Qualified Resource Guide that was distributed to LEAs in September 2011, minimum passing scores were increased for two content knowledge exams:

<b>Test Name</b>	<b>Test Code</b>	<b>Pre-September 2011 Score</b>	<b>Currently Required Score</b>
English Content Knowledge	0041	142	160
Social Studies Content Knowledge	0081	145	155

Individuals who took the exams above prior to 9/17/11 may use the pre-September 2011 score for highly qualified determination purposes. The currently required score is the minimum passing score for all others.
