

Federal Fiscal Year (FFY) 2011

IDEA Part B LEA FFY 2011 Annual Performance Determinations

Each year the U.S. Department of Education, Office of Special Education Programs (OSEP) requires OSSE, as the State educational agency, to make determinations about the performance of local education agencies (LEAs) based on the same categories used for state determinations outlined in Section 616(d) of IDEA. In making such determinations, OSSE assigned LEAs one of the following determination levels:

1. Meets Requirements
2. Needs Assistance
3. Needs Intervention
4. Needs Substantial Intervention

Each LEA serving students with disabilities age 3-21 received an IDEA Part B Local Determination packet from OSSE, which included the LEA's overall determination score and determination level for Federal Fiscal Year (FFY) 2011 (SY 2011-2012). Please note that for the purposes of IDEA, all LEAs that have selected the District of Columbia Public Schools (DCPS) as their LEA for the purposes of special education (i.e. "dependent charter LEAs") receive the same annual determination as DCPS.

OSSE is making the results of the FFY 2011 determinations publicly available to support ongoing efforts to provide useful information to District of Columbia stakeholders.
