November 19, 2014 ~ Semillitas Early Learning Center

Semillitas Early Learning Center was founded in 2009 by a team of teachers and assistants who came together after many years in the industry of early childhood education. Founding members Maria Magdalena, Maria Lopez, Rosemary Diaz, and Maryuri Ramos had a vision of building a center together that modeled successful programs, where teachers worked with administration to ensure quality infant and toddler care. With over forty years of combined experience, the center was founded on the belief that all children are unique individuals who are naturally curious and eager to grow and learn.

Semillitas, which means little seeds in English, is located in Ward 1 and offers a well-structured, dynamic and child-centered curriculum. Semillitas brings together the expertise of bilingual early childhood educators with experience from DCPS, Maryland credentialing programs and NAEYC accredited schools.
