

On Thursday May 26, 2016, DC Water and the Office of the State Superintendent of Education's School Gardens Program will distribute seed sweet potatoes and compost to school garden coordinators for use in District school gardens. Please visit us at one of two locations below to pick up these items. We will also have information on "teaching with sweet potatoes" as well as planting instructions. Be sure to bring something in which to carry the compost (we will be providing approximately five gallons per school) and the sweet potatoes (we will be providing enough to fill a 4-by-8 foot garden bed). Please contact Sam Ullery at sam.ullery@dc.gov if you have questions. We are looking forward to seeing you soon. There is no need to RSVP.

Pick up times and locations:

1. 9:30-11 a.m.
